

REMARKS/ARGUMENTS

Reconsideration of the above-identified application is respectfully requested.

Applicant filed a response to the Office Action dated March 9, 2007 on July 9, 2007. On July 25, 2007, Applicant, accompanied by her counsel, had a telephone interview with Examiner Webb, to exchange their view of the present application and the rejections. Applicant would like to thank the Examiner for his time and helpful advice.

Subsequent to the telephone interview, Applicant has decided to further amend her claims as shown above, which includes cancelling claims 1-2, 6-12, 14, 17, and 21, and added new claims 25-30. As a result of these amendments, claims 3-5, 13, 15-16, 18-20, and 22-30 are pending.

Claims 3-5 are amended to change the dependency from depending upon claim 1 to claim 13, due to the cancellation of claim 1. Claim 13 is amended to incorporate the limitation of claim 14 into the claim, which is supported by the specification and figure 2. Claim 16 is amended to incorporate the limitation of claim 17 into the claim, which is fully supported by the specification and figure 3. Claim 19 is amended to add the limitation which can be found in the specification and figure 4. New claims 25-30 are amended to add the dependent claims of claim 1 to the independent claims 16 and 19. No new matter has been introduced.

In view of the foregoing, Applicant respectfully request that the application be in condition for allowance. Should there be any questions regarding this application, the examiner is requested to contact the applicant's attorney to resolve the problem.
